

FEBRUARY EVENTS 2015

Friends of the San Pedro River

River Walks

The San Pedro River features some of the richest wildlife habitat in the Southwest. Here you'll find 82 species of mammals, dozens of different reptiles and amphibians and nearly 350 species of birds. In addition, the river supports one of the largest cottonwood-willow forest canopies remaining in Arizona and is one of the last free-flowing rivers in the Southwest.

Join one of our trained docents on an **Interpretive River Walk** to discover why the San Pedro River is one of the top ten endangered rivers and named by the Nature Conservancy as one of the *Last Great Places*.

The interpretive river walks are usually 1½ to 2 miles long over easy terrain. They are slower-paced than a hike and suitable for most adults and children.

Every Saturday:
February 7, 14, 21, 28
River walks depart from the San Pedro House at **9:00am**

Bird Walks

The San Pedro River is considered one of the largest and most critical avian migratory corridors remaining in the western United States. The San Pedro Riparian National Conservation Area (SPRNCA) provides habitat for over 100 species of breeding birds, and provides water, food and shelter for another 250 species of migratory and wintering birds.

Birders, novice or experienced, are invited to attend any of the listed bird walks to introduce them to the diverse avian community found in the SPRNCA. Observe 25 - 50 species on these popular 2 to 3 hour bird walks.

Every Wednesday:
February 4, 11, 18, 25
Saturday: February 28
Bird walks depart from the San Pedro House at **9:00am**

MURRAY SPRINGS CLOVIS SITE

The Clovis people were the first humans to reach North America some 13,000 years ago. Come visit one of the premiere Clovis Cultural sites in the country. A docent will lead this walk, explaining the latest hypotheses on how they got here, how they lived, and what happened to them. You will have a chance to see replicas of Clovis artifacts found at Murray Springs and hear about the many large animals, most now extinct, that lived in the San Pedro River valley at the time.

The walk is only about 1/4 mile, but does include a few rough steps down into a wash. It will last about 1 ½ hours. Wear good walking shoes and a hat. Bring plenty of water.

Sat., Feb. 7, 1:00pm
Meet at the Murray Springs
Parking Area

(Off Moson Road, about 1 mile north of Highway 90)

FAIRBANK HISTORIC TOWNSITE

Fairbank was an important transportation hub during the silver boom in and around Tombstone. The tour of the townsite will include the restored schoolhouse, the mercantile building, the town cemetery and other remnants of this historic railroad town. Fairbank was the longest-lasting ghost town along the San Pedro River, with occupation spanning 1881 to 1972. The tour will focus on the many colorful events and personalities that wove the fabric of the town.

The walk will last approximately 1 ½ hours and is about 1 mile in length.

Sat., Feb. 14, 9:00am
Walk departs from the
Fairbank Schoolhouse

(The Fairbank parking area is about 1/4 mile east of the San Pedro River, north side of Highway 82).

PRESIDIO SANTA CRUZ DE TERRENATE

The Friends of the San Pedro River offer a history walk to the Presidio Santa Cruz de Terrenate. As the Spanish extended their empire out of Mexico, they established a Presidio (fortress) along the San Pedro River in 1776.

Learn about the Presidio and what happened there to make the Spanish abandon the fort in 1780. The walk is about 3 miles (round trip) and will take about 3 hours. Be prepared for the weather with good shoes, water, and a hat.

Sat., Feb. 21, 9:00am

The hike is just over 4 miles, should take about three hours and will entail one river crossing. Richard is our expert on the history of the San Pedro River valley and his walks are always very informative. Charleston was perhaps the wildest of the local ghost towns and this walk is a rare opportunity to visit the ruins with a expert guide. Meet at the Charleston Bridge parking area at 9:00am. Wear hiking boots and a hat. Be prepared to get your feet wet. Bring plenty of water and a snack.
