

# JUNE EVENTS 2015

## Friends of the San Pedro River

### River Walks

The San Pedro River features some of the richest wildlife habitat in the Southwest. Here you'll find 82 species of mammals, dozens of different reptiles and amphibians and nearly 350 species of birds. In addition, the river supports one of the largest cottonwood-willow forest canopies remaining in Arizona and is one of the last free-flowing rivers in the Southwest.

Join one of our trained docents on an **Interpretive River Walk** to discover why the San Pedro River is one of the top ten endangered rivers and named by the Nature Conservancy as one of the *Last Great Places*.

The interpretive river walks are usually 1½ to 2 miles long over easy terrain. They are slower-paced than a hike and suitable for most adults and children.

**Every Saturday:  
June 6, 13, 20, 27**

River walks depart from the San Pedro House at **8:00am**

### Bird Walks

The San Pedro River is considered one of the largest and most critical avian migratory corridors remaining in the western United States. The San Pedro Riparian National Conservation Area (SPRNCA) provides habitat for over 100 species of breeding birds, and provides water, food and shelter for another 250 species of migratory and wintering birds.

Birders, novice or experienced, are invited to attend any of the listed bird walks to introduce them to the diverse avian community found in the SPRNCA. Observe 25 - 50 species on these popular 2 to 3 hour bird walks.

**Wednesday, June 10  
Saturday, June 27**

Bird walks depart from the San Pedro House at **7:00am**

### Environmental Operations Park EOP BIRD WALKS

The Sierra Vista **Environmental Operations Park (EOP)**, also known as the Sierra Vista Wastewater Wetlands, has been opened to public tours on Sunday mornings at **7:00 am**. The EOP is a 50-acre wetlands planted with aquatic plants, including cattails and grasses that attract migrating and nesting birds.

**Every Sunday:
