

NOVEMBER EVENTS 2016

Friends of the San Pedro River

River Walks

The San Pedro River features some of the richest wildlife habitat in the Southwest. Here you'll find 82 species of mammals, dozens of different reptiles and amphibians and nearly 350 species of birds. In addition, the river supports one of the largest cottonwood-willow forest canopies remaining in Arizona and is one of the last free-flowing rivers in the Southwest.

Join one of our trained docents on an **Interpretive River Walk** to discover why the San Pedro River is one of the top ten endangered rivers and named by the Nature Conservancy as one of the *Last Great Places*.

The interpretive river walks are usually 1½ to 2 miles long over easy terrain. They are slower-paced than a hike and suitable for most adults and children.

Every Saturday:
November 5, 12, 19, 26
River walks depart from the San Pedro House at **9:00am**

Bird Walks

The San Pedro River is considered one of the largest and most critical avian migratory corridors remaining in the western United States. The San Pedro Riparian National Conservation Area (SPRNCA) provides habitat for over 100 species of breeding birds, and provides water, food and shelter for another 250 species of migratory and wintering birds.

Birders, novice or experienced, are invited to attend any of the listed bird walks to introduce them to the diverse avian community found in the SPRNCA. Observe 25 - 50 species on these popular two to three hour bird walks.

Every Wednesday:
November 2, 9, 16, 23, 30
& Saturday, Nov. 26
Bird walks depart from the San Pedro House at **8:00am**

History Walk

PRESIDIO SANTA CRUZ DE TERRENATE

The Friends of the San Pedro River offer a history walk to the Presidio Santa Cruz de Terrenate. As the Spanish extended their empire out of Mexico, they established a Presidio (fortress) along the San Pedro River in 1776.

Learn about the Presidio and what happened there to make the Spanish abandon the fort in 1780. The walk is about 3 miles (round trip) and will take about 3 hours. Be prepared for the weather with good shoes, water, and a hat.

Sat., Nov. 12, 9:00am
Meet at the Presidio Parking Area
(West side of the river on Highway 82, turn north on In Balance Ranch Road, go 1 mile to parking area)

*Wear appropriate attire for hiking and walking and current weather conditions. Bring at least one quart of water per person. There is **no charge** for the walks; however, donations are accepted to support the docent programs.*
