

APRIL EVENTS 2017

Friends of the San Pedro River

River Walks

The San Pedro River features some of the richest wildlife habitat in the Southwest. Here you'll find 82 species of mammals, dozens of different reptiles and amphibians and nearly 350 species of birds. In addition, the river supports one of the largest cottonwood-willow forest canopies remaining in Arizona and is one of the last free-flowing rivers in the Southwest.

The interpretive river walks are usually 1½ to 2 miles long over easy terrain. They are slower-paced than a hike and suitable for most adults and children. Free, although donations are accepted.

Every Saturday:

April 1, 8, 15, 22, 29

River walks depart from the San Pedro House at **8:00am***

**note earlier start time*

Bird Walks

The San Pedro River is considered one of the largest and most critical avian migratory corridors remaining in the western United States. The San Pedro Riparian National Conservation Area (SPRNCA) provides habitat for over 100 species of breeding birds, and provides water, food and shelter for another 250 species of migratory and wintering birds.

Birders, novice or experienced, are invited to attend any of the listed bird walks to introduce them to the diverse avian community found in the SPRNCA. Observe 25 - 50 species on these popular two to three hour bird walks. Free, although donations are accepted.

Every Wednesday:

April 5, 12, 19, 26

& Saturday, April 22

Bird walks depart from the San Pedro House at **7:00am***

**note earlier start time*

*Take a walk back in time...on one of our docent led **History Walks***

April 1, 9:00am • PRESIDIO SANTA CRUZ DE TERRENATE

As the Spanish extended their empire out of Mexico, they established a Presidio (fortress) along the San Pedro River in 1776. Learn about the Presidio and what happened there to make the Spanish abandon the fort in 1780. The walk is about 3 miles (round trip) and will take about 3 hours. Meet at the Presidio Parking Area on In Balance Ranch Road off Highway 82.

April 8, 9:00am • MILLVILLE RUINS & PETROGLYPH TRAIL

The Corbin and Gird mills processed silver ore mined in Tombstone. These stamp mills on the east side of the river roared day and night for the "boom" years between 1878 and 1889. It was a "boomtown" in every sense of the word - a quick rise and a rapid decline. This site is also well known for its many petroglyphs etched into the rocky hillsides. The walk is about 1 1/2 half miles and will take about 2 hours. Meet at the Millville Parking Area on Charleston Rd.

April 15, 9:00am • MURRAY SPRINGS CLOVIS SITE

The Clovis people were among the first humans to reach North America some 13,000 years ago. Come visit one of the premiere Clovis Cultural sites in the country. A docent will lead this walk, explaining the latest hypotheses on how they got here, how they lived, and what happened to them. You will have a chance to see replicas of Clovis artifacts found at Murray Springs and hear about the many large animals, most now extinct, that lived in the San Pedro River valley at the time. The walk is only about 1/4 mile, but does include a few rough steps down into a wash. It will last about 1 1/2 hours. Meet at the Murray Springs Parking Area off Moson Road.

April 22, 9:00am • GRAND CENTRAL MILL

Grand Central Mill processed silver ore from the Grand Central Mine in Tombstone. The mill is located one mile north of Fairbank in the SPRNCA. A Friends docent will explain the history of the site and show the remains of the mill, mostly the foundations where the 200 foot long, multi-story building once stood. Meet at the Fairbank Schoolhouse for this 2 mile, 3 hour tour. The trail is well maintained, but be sure to wear walking shoes. Dress for the weather and bring water. Fairbank is just east of the San Pedro River on Highway 82.

April 29, 9:00am • FAIRBANK HISTORIC TOWNSITE

Fairbank was an important transportation hub during the silver boom in and around Tombstone. The tour of the townsite will include the restored schoolhouse, the mercantile building, the town cemetery and other remnants of this historic railroad town. Fairbank was the longest-lasting ghost town along the San Pedro, with occupation spanning 1881 to 1972. This 1 mile walk will last 1 1/2 hours. Meet at the Fairbank Schoolhouse.
