

FSPR Volunteer Service/Activity Description

Clean-up and Trash Removal:

Description: Clean up and disposal of trash and dumping areas to keep public lands clean and beautiful and safe.

1. *Location:* San Pedro River National Conservation Area, specific locations determined in project planning
2. *Time/schedule commitments:* Special projects planned and announced in advance, 3 to 4 hour work day or longer depending on project.
3. *Use of government vehicle:* Will be operated by government employee to haul loads to landfill. May ride as passenger in government vehicle.
4. *Use of personal vehicle:* For volunteer's personal transportation to work site.
5. *Tools and equipment:* Trash bags, litter pick up tools, shovels, trash bags. May work near or around heavy equipment.
6. *Personal tools and equipment:* Gloves and personal protective clothes and footwear. Drinking water and food.
7. *Skills and abilities needed:* Walking on natural terrain, picking up and carrying trash or trash bags, heavy or cumbersome loads.
8. *Training and certifications:* Recognizing potential hazards encountered in trash. Lifting and carrying loads and tools.
9. *Level of physical activity:* Moderately strenuous due to walking, picking up and carrying loads.
10. *Hazards or risks:* Walking outdoors on natural terrain, uneven and rough ground, sometimes in remote locations. Potential cuts and punctures, potential pathogens, hazardous materials. Hazardous materials will be reported to BLM representative on site and will not be handled or removed by volunteers. Encounters with stinging and biting insects, wildlife, allergens (dust, pollen). Encounters with undocumented immigrants, drug smugglers, hunters
11. *COVID-19 preventative measures:* For volunteer work conducted, volunteers are recommended to wear a face mask either disposable (must be disposed of after volunteer work ends) or hand-washed (it is the responsibility of the volunteer to launder their own mask after use). Volunteers should have their own hand sanitizer during volunteer work due to touching objects. Volunteers should hand wash with soap and water inside BLM facilities or use hand sanitizer frequently. Any tools being used for project work should be wiped and sanitized before and after the project. It is recommended to not share tools during the project. Volunteers may use disposable gloves during their duty hours but must dispose of the gloves after volunteer work. Social distancing should be practiced at BLM facilities. If the volunteer is ill, the volunteer shall notify their supervisor and keep the supervisor informed of their health condition prior to returning to work.

COVID CDC guidelines have been provided and understood. I accept the risks related to the approved actions described here and have read and agreed to the risks and risk mitigations described in the RMW.
