

# Friends of the San Pedro River

## San Pedro Riparian National Conservation Area

### May, 2025 Events Calendar

#### Nature Walks

**San Pedro House, Saturdays, May 3, 10, 17 and 31, 2025, 8 am.** Join our FSPR docents as they guide you along the San Pedro River, one of the last free flowing rivers in the Southwest and home to one of the largest cottonwood-willow riparian forests remaining in Arizona. On this walk we will discuss the interactions of the components that make up the ecosystem of the river and its importance to the surrounding area. The walks are 1.5 to 2 miles long over easy to moderate terrain. These are slower paced than a hike and suitable for most adults and children. The San Pedro House is located 7 miles east of Sierra Vista on Highway 90, on the south side of the highway. It is searchable in Google Maps.

#### FSPR Bird Walks

**San Pedro House, Wednesdays, May 14 and 28, 2025, 7 am.** The SPRNCA provides habitat for over 100 species of breeding birds. The San Pedro River is also a critical migration corridor that provides water, food, and shelter for another 250 migratory and wintering birds. Novice and experienced bird watchers attend our bird walks to view the diverse avian community of the area. We usually observe 30-60 species on these popular walks, which last approximately three hours. Bring water, a hat, and binoculars. These walks can be moderately difficult on uneven terrain. The San Pedro House is located 7 miles east of Sierra Vista on Highway 90, on the south side of the highway. It is searchable in Google Maps.

#### History Walk to Clanton Ranch, Saturday, May 3, 2025, 9 am.

Join FSPR docent Sandy Huesman for a walk to the Clanton Ranch. Here Old Man Clanton grazed (stolen) cattle in a large pasture along the San Pedro. This site was a key location in the Wyatt Earp vs. The Cowboys epic. A round trip to the site requires 1.5 miles of walking total. The trail is uneven gravel and dirt. The last 100 feet or so are up a gradual hill on a rocky, uneven trail. Make sure you are able to handle this walk. Wear a hat, sun protection, appropriate clothing, and sturdy shoes. Bring water and snacks. Meet at the Escapule Trailhead. Escapule Road intersects with Charleston Road 6 miles east of Sierra Vista. Turn south on Escapule Road and drive 1.3 miles south. Look for a dirt parking area on the left side. The docent will place a directional sign at its entrance, a left turn. This location is searchable as "Escapule Trailhead" in Google Maps.

***This is our last history walk until fall!***

***For all walks: Free and open to the public. No reservations are required. Please realistically assess your ability to do these walks – some are in remote areas far from help. Wear a hat, sun protection, appropriate clothing, and sturdy shoes. Bring water and a snack. Well-behaved dogs on leashes are welcome on all but the birdwatching walks. Children are welcome but younger ones will have their patience tested.***

**For more information on these or other events, call (520) 508-4445
